A Few Suggestions that Might be Well Enough to Observe While Selecting Frames for Your Pictures.

If your picture be a water color, or some color scheme it is well enough to select a frame mat that is one is used that will harmonize with the prevailing color or tone. For this class gilt colors and special mouldings are most commonly selected.

For general framing one of the three rules given below should strictly be adhered to.

First, a frame that blends well with the prevailing color of your picture; Second, you may blend or match the mat, sky or foreground; as last choice you may ignore either of the above rules, selecting a frame which suits the room decorations into which the picture is to be placed.

We make frames to suit your pictures.

The Forty Year Test

An article must have exceptional merit to survive for a period of forty years. Chamberlain's Cough Remedy was first offered to the public in 1872. From a small beginning it has grown in favor and popularity until it has attained a world wide reputation. You will find nothing better for a cough or cold. Try it and you will understand why it is a favorite after a period of more than forty years. It not only gives relief—it cures. For sale by all dealers. 4t

FOR SALE—A seven room residence in Duncan. This is one of the most desirable houses in Duncan, both in quality and appearance. Price \$3,500 cash. Also I am offering for sale ten very desirable residence lots in Duncan, in the Butcher-Tipton Addition, each lot having a \$25.00 water share in the Duncan canal included. These lots will be sold for each \$200.00 cash or \$225.00 on installments. Address Bart Tipton, Duncan, Arizona. 4t c

News of Guy Loomis—From the information supplied by Fred Marston, recently returned from the Russian Caucasus, the many friends in Clifton of Guy Loomis, who for years resided here, and who several years since went his way to the Russian Caucasus, where he was employed in mining in company with Marston, will be interested to know that Loomis is now living at Detroit, Michigan, the home of automobiles, although the manufacture of the machines is not the business of Loomis. Marston states that after remaining for several years in the Colquhoun copper mining camp, Loomis, known to his friends here as "Sunny Jim", fell in love with a beautiful Polish girl, and wedded her. A fine son crowned the union, his birth occurring at almost the time Loomis and his wife left the land of the czar for his native home, Indiana, in the United States. The son was immediately named in honor of the reigning czar. Loomis for some time resided at his native town, where his mother resides, but later removed to Detroit, where he is now employed in the business of real estate.

Sustains Broken Arm—Lloyd Davis, the twelve year old son of Frank Davis, while playing with several playmates in Hill's Addition Sunday afternoon through falling to the ground sustained a broken arm. Surgeons were immediately called to set the limb, and the young fellow is recovering rapidly.

SOCIETY AND PERSONAL

(By Mildred Kelly)
Miss Fisher and Mrs. Todd entertained with attractive bridge party Saturday of last week. Delicious refreshments were served. The prizes were won by Mrs. John Webster, who received first, Mrs. Brubaker, second and Mrs. Simpson consolation. The guests were, Mesdames Adam Smith, Liddell, Abraham Reisinger, Foote, Burton Smith Crawford, Bullock, Corwin, Hampton, Minson, Grimes, Kerby, Simpson, Reardon, Keller, Leland, Cooper, Brose, Adams, A. T. Thompson, Brubaker, John Webster, Burich, Hattie Spann, Chas. Spann, Howard, and Misses Keenan, Kerby, Trumpas, Tuttle, Griggs, Anderson, Freeland, and Hord.

Mrs. Ferber entertained the Bridge club Wednesday afternoon. The prizes were won by Mrs. Abraham, who received first and Mrs. Hutchinson, who received second. Enchiladas were served. Each guest received two large red carnations. The invited guests besides the club were: Mrs. Ralph Ellis, Mrs. F. A. Sanders, and Mrs. Backstein.

Mrs. Minor Simms gave a bridge party last Friday in honor of Miss Dorothea McKnight. Auction Bridge was played and afterwards dainty refreshments were served. The guests were, Mesdames Anderson, Terry, Burtch, Mitchell, Bullock, Corwin, Webster, Abraham, Hampton, Howard, McKnight, Minson, E. V. Horton, Adams, Bogue, Laine, McFarland, Todd and Misses McKnight and Keenan. Mrs. John Webster received first prize and Miss McKnight the guest prize. Mrs. John Webster received the consolation, which was a deck of cards in a beautiful Morocco leather case. Chicken salad, salted almonds, olives, sandwiches, ice cream, and cake were served. Mrs. Reisinger assisted the hostess.

Miss Fisher and Mrs. Todd entertain Saturday.

Mr. and Mrs. Armstrong left on Thursday morning for Cananea, where Mr. Armstrong will take charge of the store department of the Cananea Consolidated Copper company's store. Before Mr. Armstrong left he was presented with a magnificent silver fruit dish by the employees of the A. C. store.

Mrs. McFarland is expecting a new car to arrive soon. It is a six passenger Dorris and is altogether a magnificent car.

Mrs. Minson gave a lovely luncheon Thursday of last week for Miss McKnight. Covers were laid for six. The luncheon was served in six

courses, the first being grapefruit, tomato soup with whipped cream, scalloped tuna in crab shell, creamed chicken with mushrooms, spaghetti and potatoes, ice cream and cake, roquefort cheese, water crackers and coffee.

Mrs. Howard entertained Thursday afternoon with a large and most enjoyable bridge party. There were seven tables of bridge besides guest who did not play. Two beautiful hand-painted desert plates were won by Mrs. Hutchins, as first prize, and a large sugar and creamer were won by Miss McKnight, as second prize.

Mrs. Minor Simms gave a dinner Thursday evening for Miss McKnight. The guests were Miss Towle, Mrs. Crittendon and Mr. Bury.

PARENTS-TEACHERS' ASSOCIATION HOLDS CONVENTION AT MORENCI

Many of County's Teachers and Patrons of Schools Meet at Morenci in First Convention of Association—Mathematics is Principal Theme.

More than fifty of the teachers of Greenlee county, with a number of patrons of the county's schools, met on Saturday, February 28, at the Morenci high school building in the first convention of the recently organized Greenlee County Parents-Teachers' Association. The sessions of this convention were pronounced by all to have been very beneficial.

Mathematics, as before announced, was the principal theme of the day's discussions, the aim of the teachers and patrons being to devote each meeting's discussions to one special subject, and thereby accomplish greater results. Music, vocal and instrumental, entertained the visiting instructors. A solo was rendered by Mrs. Weller of Morenci. Misses Ray, Johnson and Plass sang songs in trio.

The Morenci High School Orchestra, which was organized among the pupils of the Morenci high school, was liberally applauded for its very creditable work. This organization consists of a number of instruments, and each player acquires himself in a manner that shows the constant practice in concert.

Miss Calkins began the day's program with a discussion concerning the teaching of arithmetic in the primary grades. The speaker, as those who followed, spoke from experience in teaching the various grades assigned in their discussions. Miss Gates followed with an address pertaining to the teaching of arithmetic in the fourth and fifth grades. The most pertinent phase of the discussions concerning mathematics were discussed by Miss Freeland, and Profs. Kenwell and Goggin, these three speakers being assigned to address the audience upon the findings of the teachers in regard to the adaptability of the present text on mathematics. Each of the speakers was explicit in statements that the present text is not in harmony with the course of mathematics as outlined by the Arizona state board of education, the conclusion of all being that the text is faulty in various respects, the principal omission being however as above mentioned. The speakers illustrated their conclusions by pointing to certain discrepancies experienced by all teachers in their efforts to properly combine the text with the daily following of the outlined plan of the state board in mathematics. All the instructors were in agreement that the text should be at an early date changed in favor of one more in relation with the obligatory courses of mathematics.

Profs. George and Sellars spoke upon higher mathematics in its relation to the needs of the commercial offices of the country, they specifically mentioning in this respect that through their experience as teachers of applied mathematics in both commercial and manual training branches that they had abundant evidence that the actual man of business often a lack of practical application of arithmetic upon the part of pupils who come from the school room where they have been instructed in mathematics by the ordinary methods. The usual experience of business men who take into their employ graduates of the high school is that the products of the schools are often not in line with honor and practical forms and applications of mathematics as applied in business offices, and thus placing the graduate at a disadvantage with employees who have enjoyed training in actual business.

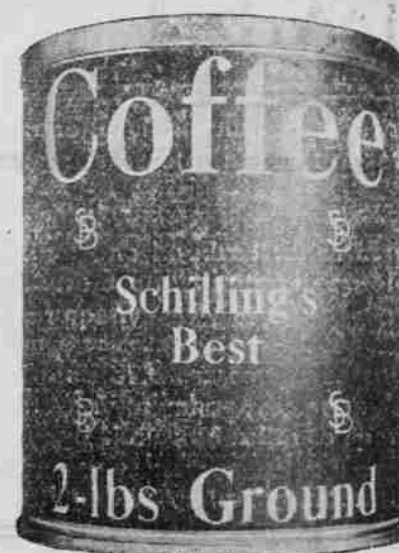

The convention decided upon Metcalf as the place of meeting of the next convention of the Association, and the first Saturday in April as the date. The success of the first meeting is encouraging to those of the teachers who attended, and preparations are now being made for a very successful convention at Metcalf.

CARD OF THANKS.

We wish to thank our friends of Duncan and vicinity for their kindness to us during the recent sickness and death of our husband and father, J. T. Cauthen. Words but freely express our appreciation for their goodness and sympathy.

Mrs. J. T. Cauthen and children. It col.

THE ASHTON CO.

DEMOCRATIC CLUB MEETS AT CASINO.

Clifton Democrats Decide to Place Full Ticket in Field at Approaching City Elections—Worsley Speaks Upon Democracy

The most largely attended political meeting of the present political season in Clifton was that held by the Clifton Democratic Club at the Casino on the evening of Saturday, February 28. This meeting resulted in the unanimous decision to place a full democratic ticket in the field for the approaching city elections. Senator Worsley, of Tucson, was the star speaker of the evening, and for many minutes held the attention of the audience.

A number of citizens addressed the audience concerning the advisability and necessity of the party being fully and adequately represented at the city elections of this spring, the speakers in this connection mentioning the fact that the approaching county and state elections demanded that a complete organization be perfected, that success might attend in contests for every office, both in city, county, and state. The speech of Worsley was said by the speaker to be an exposition of the true teachings of Democracy, although apparently a number of his audience appreciated the address as an illustration of the more advanced forms of the political propaganda, he throughout his speech, which was liberally applauded by numbers, mentioning the great benefits flowing from the application of the principles of the doctrine of communists. He did not hesitate to admit that he was fully in favor of such actions on the part of the state of Arizona as would enable the people to unite in communistic profits and

benefits. While not admitting that he was departing from the more conservative tenets of the democratic party in thus advocating public title and benefits of the greater industries, yet the probabilities were that many of the democrats of the old school regarded some points of the address as not of the nature which with them has been regarded as of importance.

Mrs. Terry to Entertain—Mrs. A. L. Terry will entertain a number of ladies at her Hill's Addition home on the afternoon of Wednesday, March 11, the occasion being a bridge social, and in honor of Miss Dorothea McKnight. This promises to be a most delightful affair, and is arousing fond anticipations.

A cheap way to increase interest in the Scriptures among congressmen would be to offer a prize to the one who could quote them correctly.

FOR GOVERNOR:

In order to get a thorough understanding of my position before the people I wish to state:

(1) That under no circumstances will I withdraw from the race for the governorship.

(2) My record is that of a true and loyal Democrat. I have never voted any other ticket.

(3) The principal plank of my platform is LAW ENFORCEMENT. By this I mean the enforcement of all laws, regardless of my personal preference.

(4) I do not believe that the executive should encroach upon the legislative or the judicial functions.

(5) "It is righteousness that exalteth a nation"; a consciousness of being right makes men brave.

H. A. HUGHES.

They all see it now—what Henry Ford saw years ago—that the light, strong, quality car, sold at a low price, best meets the demands of all the people. Now they're all following where Henry Ford led.

Five hundred dollars is the price of the Ford runabout; the touring car is five fifty, the town car seven fifty—f. o. b. Detroit, complete with equipment. Get catalogue and particulars from
